SEN. BASHAM SPONSORING DOWNRIVER HUNTERS AND ANGLERS EVENT

LANSING- State Sen. Ray Basham (D-Taylor) is inviting Downriver hunters and anglers to join him and representatives of the Michigan Department of Natural Resources (MDNR) for an informational meeting scheduled for Thursday, February 10 at Gander Mountain in Taylor.

“I would like to invite the community to join me and the Michigan Department of Natural Resources as we discuss Michigan’s fish and game programs,” said Sen. Basham. “Although I continue to field individual questions and complaints from my constituents, I thought it would also be beneficial to bring the DNR to the Downriver area for an open and public conversation about the Department’s programs, their regulations and their enforcement.”

The event will be from 6:00 - 8:00 p.m. on Thursday, February 10, at Gander Mountain located at 14100 Pardee in Taylor. Following presentations by the MDNR, participants will have the opportunity to ask questions. Light refreshments will also be provided.

“Informational meetings, like this one, provide a valuable opportunity for citizens to receive information and have their concerns heard,” said Basham. “I would encourage anyone interested in our fisheries and wildlife programs to attend.”
